2020 MEDIA INFORMATION

INTRODUCTION

The success of *Arabian Knight*, the quarterly magazine for the Arab world's elite, has been built upon solid foundations since the publication was launched in the late 1990s. This unique publication has attracted the loyal interest of our discerning readers and the continuing support of a select group of advertisers.

Arabian Knight magazine is a curated collection of exclusive interviews, special features and reports; highlights a wide range of influential personalities, from business to culture, who have achieved success and contributed to the economic and social developments shaping the Arab world.

Arabian Knight is circulated to the business and political leaders of the Arab world. These are the individuals who by definition shape the destiny of the Middle East through their influence and wealth.

The Arabian Knight will be a King, Prince, Sheikh, Minister, Chairman or CEO. He may be a technocrat, academic, philosopher or philanthropist who has achieved the highest level of success in his chosen field. His sophisticated tastes and highly discerning interest in the very best products and services available is respected by the magazine's rich and varied content, which is always illustrated with stunning photography.

A dedicated and dynamic website – www.arabianknightonline.com – entertains and engages readers with regular updates on noteworthy events and news concerning business aviation, banking, property, motoring, yachting, art and culture, hotels, lifestyle and of course luxury brands.

Arabian Knight is published by Al Hilal Group, Bahrain's leading publisher, whose portfolio of trade and industrial publications, websites, trade portals and newsletters provides diverse opportunities to engage with business leaders throughout the region.

A minimum quantity of 8,500 copies of each edition are printed. Of these, 6,000 are delivered directly, with the balance distributed individually by selected organisations to their own premium clients.

The net worth of the individual Arabian Knight is impossible to quantify, however our own conservative estimates are that *Arabian Knight* magazine reaches individuals whose combined net worth exceeds US\$250 billion. In view of the high retention value or long shelf life of each edition, our readership estimate is in excess of 50,000 for each quarterly issue.

EDITORIAL PHILOSOPHY

In addition to select interviews, *Arabian Knight's* features calendar provides a rich and varied range of topics to excite our reader's interest and involvement. Regular features and themes complement the select interviews of the elite.

Arabian Knight's interviewees have come from all walks of life. They are members of Ruling Families, government officials as well as leading businessmen, professionals, technocrats, sportsmen and those with interests in the arts and culture.

Editorial themes are selected to portray and reflect the wide range of interests, services, products and destinations that will excite and involve the reader. *Arabian Knight* is the definitive lifestyle magazine for the discerning reader.

Arabian Knight has established a unique reputation and is welcomed by the commercial and political leaders of the Middle East.
